

**McGill University, Faculty of Medicine**

**Curriculum Vitae**

Date of Last Revision: March 31, 2023

**A. IDENTIFICATION**

**Name:** Eric A. Latimer  
**Office Address:** Perry 3C  
Douglas Mental Health University Institute  
6875 LaSalle Boulevard  
Montréal, Québec H4H 1R3  
**Telephone:** (514) 761-6131 ext. 2351  
**Fax:** (514) 762-3049  
**E-mail:** [eric.latimer@mcgill.ca](mailto:eric.latimer@mcgill.ca)  
**Date of birth:** December 5, 1956  
**Citizenship:** Canadian

**B. EDUCATION**

**Undergraduate**

B.A.Sc. Systems Design Engineering (1979), University of Waterloo, Ontario (1975-1979)

**Graduate**

M.S. Sciences Économiques (1987), Université de Montréal (1983-1984)

M.S. Economics (1986), Carnegie Mellon University, Pittsburgh, PA (1984-1986)

Ph.D. Economics (1989), Carnegie Mellon University, Pittsburgh, PA (1986-1989)

Thesis topic : “The level of auto safety belt use : Estimation of its relationship with fatalities, and evidence of regularities in its determination”. (Lester B. Lave, supervisor).

**C. APPOINTMENTS**

**University - current**

Jul 2013 - Professor, Department of Psychiatry, Faculty of Medicine, McGill University

Dec 96 – Associate Member, Department of Epidemiology and Biostatistics, Faculty of Medicine, McGill University

2021 – Associate member, Department of Equity, Ethics and Policy (previously Institute for Health and Social Policy), McGill University

2020 - Adjunct professor, Department of Computer Science, Lakehead

University

**University – previous**

- 1997 – 2018 Membre Associé, Département d'Administration de la Santé, Faculté de Médecine, Université de Montréal
- Jun 06 – Jun 13 Associate Professor, Department of Psychiatry, Faculty of Medicine, McGill University
- Sep 09 – Aug 12 Honorary Associate Professor, School of Sociology and Public Policy, University of Nottingham, U.K.
- Sep 07 – Aug 08 Visiting Academic, Personal Social Services Research Unit (UKC site), University of Kent at Canterbury, Canterbury, UK
- Sep 07 – Aug 08 Visiting Professor, Personal Social Services Research Unit (LSE site), Health and Social Care, London School of Economics and Political Science, London, UK
- Sep 07 – Aug 08 Senior Visiting Research Fellow, Centre for the Economics of Mental Health, David Goldberg Centre for Health Services and Policy Research Institute of Psychiatry, King's College London
- Jun 01 – May 06 Assistant Professor (tenure track), Department of Psychiatry, Faculty of Medicine, McGill University
- Mar 96 – May 01 Assistant Professor (non tenure-track), Department of Psychiatry, Faculty of Medicine, McGill University
- Sep 89 – Feb 96 Assistant Professor of Health Economics, Department of Health Policy and Management, Harvard University School of Public Health

**Hospital**

- Sep 18 – Dec 19 Member of the executive committee, Douglas Research Centre
- Jan 17 – Jun 19 Director, Mental Health and Society Research Program, Douglas Research Centre
- Jan 13 – May 14 Acting Director, Services, Policy and Population Health Research, Douglas Research Centre
- May 02 – Sep 08 Director, Services, Policy and Population Health Research, Douglas Research Centre
- Mar 96 – Research Scientist, Douglas Research Centre

**Other**

- Mar 96 - Jun 98 Consulting Researcher, Québec Health Technology Assessment Council (on temporary loan, 40% time, from Douglas Hospital Research Centre)

**D. SPECIAL HONOURS, AWARDS, RECOGNITION**

- 2017 McLaughlin-Gallie Visiting Professorship, Mental Health in

- Disadvantaged Populations, Royal College of Physicians and Surgeons of Canada (\$10,000 value)
- 2015 Prix Montréal Centre-Ville, « Event » category.
- 2015 Psychosocial Rehabilitation Canada/Réadaptation Psychosociale Canada, Pioneer Award, Recovery Research.
- 2012 – 2014 J. A. Bombardier Fellowship in the Quality of Mental Health Care
- 1987 – 1988 John Olin Graduate Fellowship, Tuition + \$10,000
- 1984 – 1987 William Larimer Mellon Graduate Fellowship, Tuition + \$21,600 stipend over 3 years.

## E. TEACHING

### E.1 McGill Courses

#### E.1.1 Teaching at McGill

Department	Course title	Hours per year	Year(s)	Evaluations available?
Epidemiology, Biostatistics and Occupational Health	PPHS 528 (previously coded EPIB 528, below) Economic evaluation of health programs	39	2015 - 2021	Yes
Undergraduate medical education	INDS 111 Improving the health of people who are experiencing homelessness or are vulnerably housed	1	2021-2022	Yes
Public Health & Preventive Medicine Residency program	Half-day on economic analysis (co-taught with R4 Yassen Tcholakov)	3	2019	Yes
Max Bell School of Public Policy	Policy Case Study on Supporting Underserved and Marginalized Populations	2	2022	No
Epidemiology, Biostatistics and Occupational Health	PPHS 617 Impact evaluation (Shared guest lecture)	0.75	2017-2018	No
Epidemiology, Biostatistics and Occupational Health	EPIB612 Introduction to Public Health Practice (Guest lecture)	1.5	2014 – 2017	No

Curriculum Vitae – Eric Latimer, Ph.D. – March 31 2023

Psychiatry - Summer programme in psychiatric epidemiology	PSYT 713 Psychiatric Epidemiology (one lecture on evaluation of interventions)	1.5	1997-2019 except 2008	From 2002 onwards
Faculty of Medicine – Course in Evidence-Based Medicine	Introduction to economic evaluation of health care interventions	1	2014 - 2017	Yes
Psychiatry - Summer programme in psychiatric epidemiology	PSYT 713 Psychiatric Epidemiology (lecture on supported employment; 2 lectures total in 2015 & 2016)	1.5	2015-2016	Yes
Epidemiology, Biostatistics and Occupational Health	EPIB 528 Economic evaluation of health programs	39	2009-2012, 2014	Yes
Epidemiology, Biostatistics and Occupational Health	EPIB 591 Economics for Health Services Research and Policy	39	2014	No (too few respondents)
Epidemiology, Biostatistics and Occupational Health	EPIB 642 Introduction to Health Technology Assessment (Guest lecture)	1.5	2012 - 2014	No
Psychiatry	Workshop on Social and Community Psychiatry (co-taught with Rob Whitley)	12	2014	Yes
Economics	ECON 440 Economics and mental health	1.5	2012	No
Psychiatry	PSYT 503 Mental health services research	3 (I coordinated and participated in this class)	2012	No
Faculty of Law	LAWG 517	1.5	2009	No
Epidemiology, Biostatistics and Occupational Health	EPIB-591 Economic evaluation of health programmes	39	2008	Yes

Curriculum Vitae – Eric Latimer, Ph.D. – March 31 2023

Social Studies of Medicine	INDS-406 Medicine and Society elective <i>Economics for Health Care Policy</i>	16, except in 2004 (reading course only in 2004 due to rescheduling of 4 <sup>th</sup> year medical school following SARS epidemic).  (sole instructor)	2003-2007	Yes
Faculty of Medicine – Course in Evidence-Based Medicine	Evidence-Based Medicine (one lecture on economic evaluation)	1	2005	Yes
Epidemiology, Biostatistics and Occupational Health	EPIB-677 <i>Economics for Health Policy</i>	33 (sole instructor with occasional guest lecturer)	2002-2005	Yes
Psychiatry – Summer programme in transcultural psychiatry	<i>Economic evaluation in psychiatry</i>	12 in 2002-2004; 7 in 1997-2001  (sole instructor)	1997-2004	For 2001 - 2004
Economics	154-744B <i>Graduate health economics seminar</i> (Guest lectures, on different topics, seminar led by Lee Soderstrom)	1.5	1998 - 2002	No
Experimental Medicine	516-640C <i>Economic evaluation of medical technologies</i>	1.5	1998-2000	For 2000 only

*E.1.2 Courses taught in Chelyabinsk, Russia in context of McGill – Chelyabinsk State Medical Academy cooperation project\**

Course title	Hours per year	Year(s)	Evaluations available?
Biostatistics I	39 (sole instructor)	2002	No
Biostatistics II	39 (sole instructor)	2001	No

\* Project funded by Canadian International Development Agency; Dr Charles Larson, Faculty of Medicine, Principal investigator and Project coordinator.

*E.1.3 Other teaching (since arriving at McGill in 1996)*

1. “Mental health policy for adults with severe mental illness”, Dawson College Department of Social Work, November 1 2010.
2. « L’intégration à l’emploi pour personnes atteintes de troubles mentaux graves » (*Vocational integration for people with severe mental illness*), 1 ½ hours, seminar on psychiatric rehabilitation given

to Université de Montréal graduate students, May 31 2006.

3. « Analyse coût-efficacité d'un programme de soutien à l'emploi évalué au moyen d'un essai randomisé: Comment s'y prendre? » (*Cost-effectiveness analysis of a supported employment program evaluated using a randomized controlled trial : How should one go about it?*), 3 hours, as part of ASA 6175, Département d'Administration de la Santé, Université de Montréal, November 21 2005.
4. "The demand for health services: Basic theory and some empirical observations", Research in Addictions and Mental Health Policy and Services (RAMHPS) Fall Institute (see below), 2 hours, Montreal, October 13 2004.
5. "Applicabilité au Québec du modèle de suivi intensif en équipe pour les personnes atteintes de troubles mentaux persistants et particulièrement graves," (*Applicability to Québec of the ACT model for people with persistent and particularly severe mental illness*) MSO-6080 : Santé mentale, Université de Montréal, 1.5 hours, December 11 1998.
6. "Discounting in the assessment of screening programs," Post-conference course, International Society for Technology Assessment in Health Care (ISTAHC) conference, 1.5 hours, Montreal, June 11 1998.
7. "The Canadian health care system", Special class to University of California medical faculty on study tour of the Canadian health care system, 1 hour, Montreal, March 14 1998.

## E.2 Research trainees supervised

### E.2.1 Visiting scholars

Christine Besse, M.D., *Supported employment, destigmatization and stress*, April 2014 – August 2014; April 2015 – July 2015.

### E.2.1 Post-doctoral

Scientific Director (in partnership with Caroline Drolet of the *Institut national de Santé publique du Québec*), Karine Perreault, « Évaluation économique d'interventions qui touchent le logement et la santé : éclairer les décisions, réduire les inégalités sociales de santé et préparer l'avenir pour une société résiliente post-pandémie »,

- Recipient of a Health System Impact Fellowship, Canadian Institutes of Health Research, January 1 2022 – December 31, 2024

Co-supervisor (Sheilagh Hodgins, Université de Montréal, Primary supervisor), Chantal Perras, *The lifetime costs of criminal offenders: a Canadian study of a sample of males followed from age 6 to 30*, 2012 - 2014

Supervisor, Vaishali Patel, 2006 – 2007

Co-supervisor, Helen-Maria Vasiliadis, 2006 – 2008 (FRSQ post-doctoral fellowship, 2006 – 2008).

Co-supervisor, Pasquale Roberge, 2004 – 2006 (FRSQ post-doctoral fellowship, 2006 – 2008).

### E.2.2 Fellowships

Supervisor, Olivier Farmer, M.D., McGill University and Douglas Hospital, *Measurement of coercion in community psychiatry*, January – June 2003.

### E.2.3 Electives

Supervisor, Antoine Perreault, M.D., McGill University and Douglas Mental Health University Institute, *Economic impacts of the Individual Placement and Support model of supported employment*

for people with systematic review: *Systematic review*, September 2018 -

Supervisor, Bettina Choo, M.D., McGill University and Douglas Mental Health University Institute, *Effects of Housing First on residential treatment for substance abuse and on substance use patterns*, January 2015 – June 2015.

Supervisor, Vincent Laliberté, M.D., McGill University and Douglas Mental Health University Institute, *Effects of Housing First on medication use patterns*, September 2014 – December 2014.

Supervisor, Marisa Derman, M.D., McGill University and Douglas Mental Health University Institute, *Homelessness policies in Canada, the United States and the United Kingdom: A review*, January - August 2011.

#### E.2.4 Doctoral

Co-supervisor (Anne Crocker, Primary supervisor), Mimosa Luigi, Department of Psychiatry, McGill University, *Risk assessment in forensic populations*, January 2022 -

Co-supervisor (Liane Feldman, Primary supervisor), Larry Fu-Hua Lee, Department of Surgery, McGill University, *The economics of enhanced recovery*, 2012 – January 2015, Ph.D. 2015.

Supervisor (co-supervisor: Rob Whitley), Daniel Poremski, Department of Psychiatry, McGill University, *Evidence-Based Supported Employment for People with Mental Illness Recently Housed by a Housing First Project: Helping Homeless People Achieve their Goals of Employment*, September 2011 – October 2014, Ph.D. 2015.

- Obtained Bombardier fellowship (\$20,000/ yr), 2012-2014

Co-supervisor, Daniele Ambrosini, Department of Psychiatry, McGill University, *Mixed methods evaluation of psychiatric advance directives*, 2006 - 2011, Ph.D. 2011.

Co-supervisor, Jim Crall, Harvard University School of Public Health, Department of Health Policy and Management, *Quality of care and prices in oral health services*, 1992 – 1995, Sc.D. 1995.

Co-supervisor, Deborah Taira, Harvard University School of Public Health, Department of Health Policy and Management, *Basing physician compensation on patient evaluations of care*, 1993-1995, Sc.D. 1995.

Co-supervisor, Dayl Donaldson, Harvard University School of Public Health, Department of Health Policy and Management, *Applications of economic analysis to health policy issues in developing countries*, 1991-1995, Sc.D. 1995

Co-supervisor, Bonnie Blanchfield, Harvard University School of Public Health, Department of Health Policy and Management, *Determinants of hospital capital expenditures and the effects of hospital payment environment*, 1991-1994, Sc.D. 1994.

Co-supervisor, Nancy Taplin McCall, Harvard University School of Public Health, Department of Health Policy and Management, *Physician response to Medicare relative price changes*, 1989-1992, Sc.D. 1992.

#### E.2.5 Master's

Charlene Weight, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc. program, “Learning how to help people experiencing homelessness regain permanent housing in a cost-effective manner: Economic evaluation of the Montreal Chez Soi project 4 years post-randomization”, September 2021 –

- Obtained FRQS Masters Award

Practicum supervisor, Alex Schurr, Supervisor, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc.P.H. program, *Interventions to prevent homelessness among people released from prison: A review of the literature*, May – August 2021.

Co-supervisor (supervisor: Vijay Mago, Department of Computer Science, Lakehead University; with Philippe Giabbanelli, Miami University), Andrew Fisher, *Development of Simulation and Machine Learning Solutions for Social and Health Issues*, September 2019 - December 2020.

Co-supervisor (supervisor: Vijay Mago, Department of Computer Science, Lakehead University), Pedram Kayyatkoshnevis, *Design, Development and Usability Evaluation of Social System Interface and Development of Computational Model*, September 2019 – April 2021.

Co-supervisor (supervisor: Larry Lee), Jules Eustache, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc. program, *Mobile health technology to improve post-discharge care and reduce healthcare costs in patients undergoing colorectal surgery*, September 2019 – August 2021.

Co-supervisor (supervisor: Larry Lee), Brent Hopkins, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc. program, *Effectiveness of incisional negative pressure wound therapy*, September 2019 – August 2021.

Supervisor (co-supervisor: Dimitra Panagiotoglou), Hannah Rochon, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc. program, *Long-Term Effects of Housing First for Homeless People with Mental Illness on Costs and Housing stability*, September 2018 – August 2020.

Practicum supervisor, Connie Ly, Department of Epidemiology, Biostatistics and Occupational Health, M.Sc.P.H. program, *Comparison of two Housing First approaches for mostly Inuit homeless*, May – August 2017.

Supervisor (co-supervisor: Anne Crocker), Marichelle Leclair, Department of Epidemiology, Biostatistics and Occupational Health, “*Impact of criminal justice involvement profiles on the effectiveness and cost-effectiveness of Housing First among homeless people with mental illness*”, September 2016 – August 2018, M.Sc. 2018.

- Obtained FRQSC Master’s Award for 2017-2018

Supervisor (co-supervisor: Erica Moodie), Cherry Chu, Department of Epidemiology, Biostatistics and Occupational Health, “*Understanding the effects of Housing First for homeless people with mental illness on patterns of service use over time: An application of latent class growth analysis*”, September 2016 – , M.Sc. June 2018.

- Obtained CIHR Master’s Award for 2017-2018
- A paper from her thesis (Chu et al. 2020, see below) was selected by the journal *Psychiatric Services* for a curated collection, **Editor’s choice**.

Supervisor, Guido Powell, Department of Epidemiology, Biostatistics and Occupational Health, *The role of response shift in measurement of quality of life in the At Home/Chez Soi study*, September 2013 – June 2015, M.Sc. 2015.

- Paper from this thesis obtained 2<sup>nd</sup> place among papers submitted for Rachel and Jacques Hendlisz award at Douglas Hospital Research Centre

Co-supervisor (Primary supervisor: Sonia Laszlo), Srishti Kumar, Department of Economics, *Implications of the At Home/Chez Soi study for international development*, Sept 2014 – January 2015, M.Sc. 2015

Supervisor, Angela Ly, Département d'Administration de la Santé, Université de Montréal, 2011 – 2014, *Évaluation économique du programme Housing First auprès de personnes itinérantes ayant des troubles de santé mentale : Analyse après deux ans de suivi à Montréal dans le cadre du projet At Home / Chez Soi*, MHA (Masters in Health Administration) August 2014.

- Obtained 1st prize for her poster (on the topic of her thesis) at the 2012 meeting of the Canadian Association for Health Services and Policy Research, Montreal.

Supervisor, Yuxi Shi, McGill University Department of Psychiatry, 2009 – 2011, *Cost-effectiveness of the Individual Placement and Support Model of Supported Employment for People with Severe Mental Illness: Results from a Canadian Randomized Trial*, M.Sc. 2012

Supervisor, Adonia Naidu, McGill University Department of Epidemiology, Biostatistics and Occupational Health, 2006 - 2009, *Incidence of Type II diabetes After Initiation of Antipsychotic Drug Therapy in Quebec Welfare Recipients, 1993 – 2004*, M.Sc. 2009.

Co-supervisor, Andrea Martin, McGill University Department of Psychiatry, *Burnout and job satisfaction among mental health professionals in case management teams*, M.Sc. 2001.

Co-supervisor, Catherine Sarrazin, Département des Sciences Infirmières, Université de Montréal, *Suivi dans la communauté et fardeau des aidants naturels* (Case management and family caregiver burden), M.Sc. 2000.

#### E.2.6 Medical students

Research mentor, Research Fundamentals course, Gabriel Devlin, *Quantifying the health and economic costs associated with off-label drug prescribing in Quebec: a retrospective analysis of public health insurance data*, May – June 2014.

#### E.2.7 Undergraduates

Honor's thesis supervisor, Wenny Fan, Department of Psychology, "Motivation of people with severe mental illness to participate in community activities: analyses based on the Temple University Community Participation Measure", 2021 – 2022.

Honor's thesis supervisor, Prachi Kondapuram, Department of Psychology, *Exploring the Patient-generated Index as a measure of quality of life for people with severe mental illness*, 2020 – 2021.

Research elective supervisor (Manuela Ferrari, co-supervisor), Vickie Ann Claveau, Department of Psychology, *Applicability of the DIALOG+ as a measurement-based care tool in atypical settings: inpatient care and supervised residential settings*, 2020-2021.

#### E.2.8 Training grants

1. Co-Investigator (Elliot Goldner, P.I.), "Building capacity in mental health and addictions services and policy research", Program entitled "Research in Addictions and Mental Health Policy and Services" (RAMHPS), Canadian Institutes of Health Research, April 2003 – March 2009, \$1,800,000.
  - Coordination of McGill site of 6 to 8 pan-Canadian videoconferenced seminars per year, 2003 - 2007.
  - Mentor for Todd Jenkins, former McGill Department of Psychiatry doctoral student (co-supervisor with Anne Crocker), 2004-2007; and for Vaishali Patel (see above).

2. Co-Investigator (Laurence Kirmayer, P.I.), “Culture and mental health services”, April 2003 – March 2009, \$1,664,436.
3. See above for classes taught in context of Division of Transcultural Psychiatry

### **E.3 Invited lectures, talks, presentations (other than at scientific conferences – see section G)**

#### *E.3.1 – Local and National*

1. (Honorary president) « Vers une réponse plus vigoureuse, soutenue et réfléchie à l’itinérance », Journée annuelle de l’Équipe de soutien clinique et organisationnel en dépendance et itinérance, Montréal, le 16 mars 2023.
2. “Preventing homelessness following prison release: What does the literature point us towards?”, Canadian Alliance to End Homelessness, Toronto, ON, November 2 2022.
3. “Housing needs and preferences of Indigenous users of non-profit organizations on the Island of Montreal – highlights”, CIH Canada Training, Canadian Housing Renewal Association, April 26 2022.
4. “On the Economics of Housing First”, Toronto Association for Business and Economics, June 7 2021 (by Zoom)
5. (with Jim Hughes and Hannah Brais) “Homelessness prevention: Framework, examples and evidence”, Institute for Health and Social Policy, McGill University, March 23 2021.
6. “Mental health, housing and homelessness, and the impact of COVID-19”, Canadian Federation of Medical Students Global Health Advocates 2020-2021, January 25, 2021.
7. « Faire des progrès en itinérance à Montréal » (Making progress on homelessness in Montréal), Presentation to City of Montréal elected officials (by Google Meet), December 4 2020.
8. “The Individual Placement and Support model of supported employment for people with severe mental illness”, National conference on disability and work, Ottawa, ON, December 4 2019.
9. “Integrating the Individual Placement and Support (IPS) model of supported employment into Housing First”, Ontario Housing First Regional Network Community of Interest, Webinar, May 14 2019.
10. « Dénombrement des personnes en situation d’itinérance au Québec », Comité consultatif du 2<sup>e</sup> portrait en itinérance au Québec, Montréal et Québec (par visioconférence), le 12 mai 2019.
11. “Homelessness, mental health, and being in an urban environment: Some policy issues”, McGill Institute for Health and Social Policy Dragon’s Den, Montreal, April 29 2019.
12. « Dénombrement des personnes en situation d’itinérance au Québec », Webinar, addressed to regional managers of homelessness in Québec, April 15 2019.
13. « Dénombrement des personnes en situation d’itinérance le 24 avril 2018: Limites, pertinence et pistes de réflexion », Table interministérielle en itinérance, le 12 avril 2019.
14. « Dénombrement des personnes en situation d’itinérance sur l’île de Montréal le 24 avril 2018 », Comité directeur intersectoriel régional en itinérance, Montréal, le 27 mars 2019.
15. (avec Esther Samson, MSSS), « Dénombrement des personnes en situation d’itinérance au Québec », École nationale de police du Québec, Nicolet, QC, April 11 2019.
16. « Dénombrement des personnes en situation d’itinérance au Québec et à Montréal », briefing to

homelessness sector stakeholders prior to press conference, March 25 2019.

17. “Housing needs and preferences of First Nations and Inuit men and women experiencing housing instability in Montreal”, Canadian Alliance to End Homelessness, Hamilton, ON, November 6 2018. This was part of a panel that I organized; the other presentations were by Psegga Jones, Echo-Parent Racine and Naomi Jacobs, an Indigenous participant in a small Housing First program for (primarily) Inuit participants that I spearheaded.
18. (with Anne Andermann) “Homelessness, visible and hidden: improving our clinical and policy responses”, McGill University Health Centre, September 25 2018.
19. “4-year results of At Home/Chez Soi in Montreal & On the economics of Housing First,” Homelessness Partnering Secretariat, Gatineau, QC June 13 2018.
20. “Homelessness data in Québec : Current situation and future prospects”, Data that makes a difference, Third Annual Canadian Homelessness Data Sharing Initiative, Calgary, AB, May 28, 2018
21. “Increasing access to better care for people with severe mental illness, in a context of limited resources,” Douglas College, PSR BC Group, New Westminster, BC, March 7 2018
22. “On the economics of Housing First for homeless people with mental illness”, St Paul’s Hospital Regional Grand Rounds, Vancouver, March 6 2018
23. “The Individual Placement and Support model of supported employment for people with severe mental illness : what it is, key research evidence, implications for practice and policy,” Centre for Addictions and Mental Health, Toronto, February 23 2018
24. “Cost-effectiveness of Housing First for high-need homeless people with serious mental illness : Results from the At Home/Chez Soi Randomized Trial,” Canadian Centre for Health Economics, Dalla Lana School of Public Health, Toronto, February 23 2018.
25. “Cost-effectiveness of Housing First for high-need homeless people with serious mental illness : Results from the At Home/Chez Soi Randomized Trial,” Centre for Urban Health Solutions, Li Ka Shing Knowledge Institute, Toronto, February 22 2018.
26. « Besoins exprimés et préférences en matière de logement des utilisateurs autochtones de ressources communautaires sur l’île de Montréal », public presentation of results of a study carried out under the auspices of the NETWORK for the Montreal urban Aboriginal community strategy, Montreal, February 16 2018.
27. “A cost-effective approach to caring for people with severe mental illness in Africa? The Saint-Camille-de-Léllis Association”, Mental Health and Society Research Program, Douglas Mental Health University Institute, December 19 2017.
28. “IPS Supported Employment. III. Economic evidence, policy implications”, Policy implications and practical considerations for federal, provincial and territorial governments to reduce employment barriers for individuals living with a mental illness, National forum organized by the Mental Health Commission of Canada, Ottawa, November 28 2017.
29. (with several others) « L’approche axée sur les forces », 3-hour workshop on the strengths model of case management and on preliminary results of our CIHR-funded study, Association québécoise pour la réadaptation psychosociale, Laval, QC, le 14 novembre 2017.
30. (Connie Ly presented a study which I led and for which I submitted the abstract), “Comparison of two scattered-site Housing First programs for Inuit in Montreal”, Canadian Alliance to End Homelessness, Winnipeg, MB, October 26 2017.
31. (Graham Isaak and Psegga Jones, together with Inuit participants, presented a program that I

- initiated and for which I had submitted the abstract) “A Housing First program for Inuit in Montreal”, Canadian Alliance to End Homelessness, Winnipeg, MB, October 26 2017.
32. (with James McGregor) “Dénombrements et enquêtes: Mieux connaître pour mieux intervenir” (Counts and surveys : Better understanding for more effective interventions), Colloque national en itinérance, Montréal, le 20 octobre 2017.
  33. (with Graham Isaak) « Appliquer le modèle « Stabilité résidentielle avec accompagnement », ou Logement d’abord, auprès des Inuits en situation d’itinérance : Une expérience en émergence » (Applying the Housing First model to homeless Inuit : an emerging experiment), Colloque national en itinérance, Montréal, le 19 octobre 2017.
  34. “A cost-effective approach to caring for people with severe mental illness in Africa? The Saint-Camille-de-Léllis Association”, Global mental health seminars, McGill University, September 21 2017.
  35. “On the economics of Housing First”, Housing First and Homelessness Prevention: Exploring the Housing First Program and Government Policies that Support it: A Symposium”, Vanier, ON, September 19 2017.
  36. “Overview of IPS and supported employment”, Mental health for all conference, Toronto, ON, September 18 2017
  37. « IPS fidelity results », Mental health for all conference, Toronto, ON, September 18 2017
  38. « Approche axée sur les forces: Intégration dans les équipes SIV et SIM au Québec, défis d’implantation et observations provenant du terrain : Introduction” (The strengths model of case management: Integration in Intensive Case Management and Assertive Community Treatment team in Québec, implementation challenges and observations from the field : Introduction”, Douglas Mental Health University Institute, May 1 2017.
  39. “Increasing access to better care for people with severe mental illness, in a context of limited resources”, FRESQue Mental Health Policy Summit, March 11 2017. (Invited plenary speaker.)
  40. “Follow-up of the Chez soi project in Montreal” and “Montreal’s first point-in-time homeless count and survey”, CREMIS group, Montreal, February 24 2017.
  41. “Economic considerations associated with evidence-based practices for people with severe mental illness”, Queen’s University School of Rehabilitation Therapy, Kingston, ON, September 9 2016.
  42. “Montreal’s first Point-in-time homeless count and subsequent survey”, Canadian Homelessness Data Sharing Initiative (organized by University of Alberta School of Public Policy and the Calgary Homeless Foundation), Calgary, AB, May 4 2016.
  43. « Le modèle de soutien à l’emploi IPS (Individual Placement and Support) pour les personnes qui ont des troubles mentaux graves : Principes, fonctionnement, résultats de la littérature scientifique » (The Individual Placement and Support model of supported employment for people with severe mental illness : Principles, functioning, results of the scientific literature), Institut universitaire en santé mentale de Montréal, CIUSSS de l’Est-de-l’Ile de Montréal, January 29 2016.
  44. « Dénombrement et caractéristiques des personnes en situation d’itinérance à Montréal en 2015 : Résultats du dénombrement et de l’enquête complémentaire » (Count and characteristics of homeless people in Montreal in 2015 : Results of the homeless count and complementary survey), Comité directeur régional (Regional management committee for homelessness), Montréal, January 20 2016.

## **F.2 Grant Reviews**

### *F.2.1 Panel member or chair*

- |             |  |
|-------------|--|
| 2023        | Chair, CIHR Catalyst grant panel, “Standards for Children and Youth Mental Health Services” Committee, January 11-13 2023.   |
| 2022        | Reviewer, McGill University, GPS Fall 2022 CIHR Selection Committee  |
| 2022        | Member, HSI2 panel, CIHR Open Grants competition (evaluation of Spring 2022 and Fall 2022 submissions)   |
| 2021        | Member, HPM panel (evaluation of Fall 2020 submissions only), CIHR Open Grants competition   |
| 2020        | Scientific Officer, HSI2 panel, CIHR Open Grants competition.  |
| 2020        | Reviewer, special CIHR competition related to COVID-19.  |
| 2018-2019   | Virtual Chair, CIHR Foundation Scheme, Senior and Mid-Career Investigators as well as New Investigators; Member of Final assessment stage panel for the same competition in June 2019. |
| 2017-       | Member of College of Reviewers, CIHR   |
| 2017-2018   | Virtual Chair, CIHR Foundation Scheme, Senior and Mid-Career Investigators as well as New Investigators  |
| 2016        | Virtual Chair (Stage 1), CIHR Foundation Scheme, Senior and Mid-Career Investigators as well as New Investigators  |
| 2015-2016   | Virtual Chair (Stages 1 and 2) and reviewer (Final assessment stage), CIHR Foundation Scheme, Senior and Mid-Career Investigators as well as New Investigators                         |
| 2015        | Reviewer, CIHR HS3 committee, June 2015 (I could not attend in person and only reviewed 2 grant applications).   |
| 2014        | Reviewer, CIHR Foundation grants Pilot, Stage I, Fall. (online process, approximately 2 days total).   |
| 2014        | Panel member, CIHR HS3 committee, May 26 -27.  |
| 2013        | Panel member, Alberta Innovates – Health Solutions, Strategic Clinical Networks research grant applications, Edmonton, AB, November 18 – 20.   |
| 2009 - 2010 | Panel member, Utilisation optimale des médicaments, Fonds de la recherche en santé du Québec (2 meetings, 2009 and 2010).  |
| 2004-2007   | Chair, Health Services Evaluation and Interventions Research Committee B, Canadian Institutes of Health Research (Two meetings per year, each 2 days long)                             |
| 2002-2004   | Panel member, Health Services Evaluation and Interventions Research committee B, Canadian Institutes of Health Research (Total of 4 meetings, each 2 days long)                        |
| 2001        | Panel member, Special call for proposals, Ontario Mental Health Foundation and Ontario   |

	Ministry of Health and Long-Term Care (One meeting lasting 1/2 day)
2001	Panel member, Special call for proposals, Health Policy Research Program, Health Canada (One meeting lasting 1 day)
2001	Panel member, Clinical, evaluative, epidemiological, and operations research program, Fonds de la recherche en santé du Québec (FRSQ - <i>Québec Health Research Fund</i> ) (One meeting lasting 2 days)
1999	Chair, Ontario Mental Health Foundation and Ontario Ministry of Health and Long-Term Care, Special call for proposals (One meeting lasting 1/2 day).
2000	Panel member, Canadian Health Services Research Foundation (Two meetings, each lasting 2 days)
1999	Panel member, Clinical, evaluative and epidemiological research program, FRSQ (One meeting lasting 2 days)
1998	Panel member, Optimal drug utilization program, FRSQ (One meeting lasting ½ day)
1997-1998	Panel member, National Health Research and Development Program (Two 2-day meetings)

#### *F.2.2 Ad hoc grant reviews, since 2011*

*McGill Internal CIHR grant application review (two in 2021, one in 2022)*

*MITACS (one in 2022)*

*FRQS relève professorale, 1 application (2021)*

*Medical Research Council, UKRI, UK, review of 1 application (2021)*

*Netherlands Organization for Health Research and Development, review of 1 application (2020)*

*AHURI (Australian Housing and Urban Research Institute), review of 2 applications (2019)*

*NHS National Institute for Health Research Programme Grants for Applied Research (UK) (one every year 2013 - 2018)*

*Alberta Innovates – Health Solutions, Partnership for Research and Innovation in the Health System (2016)*

*Ontario Mental Health Foundation (2014)*

*ANR France (2013)*

*Health Research Board, Ireland (2012)*

*McGill University Health Centre, Research Ethics Board (2011)*

#### **F.4 Administrative responsibilities**

##### *F.4.1. McGill University*

2022- Member, CIHR-3 Master’s Fellowship internal evaluation committee.

2004-2005 Co-coordinator (with Diane Boivin), Psychiatry Department seminar series

##### *F.4.2 Douglas Institute (other than coordination roles listed on p. 2) / CIUSSS ODIM*

- 2020 - Participation in mentorship program at Douglas Research Centre (1 mentee started in 2020).
- 2019 Chair of search committee for a new faculty member for the Mental Health and Society Division
- 2018 – Committee in support of CIUSSS ODIM’s participation as a member of the IPS International learning community – including, in 2019 and 2022, active participation in evaluation of the Douglas’ program fidelity to the program model.
- 2016 – 2017 Panel member, Prioritization of clinical development projects in mental health and addictions, June 1 2016
- 2015 With Christine Besse, evaluation of the fidelity to the IPS model of supported employment of the Douglas IPS program, using the Dartmouth Supported Employment Fidelity Scale, with feedback to the team and its supervisor and manager.
- 2014 - 2016 Scientific Advisor, UETMIS (Unité d’évaluation des technologies et modes d’intervention en santé)
- 2012 With Anne Crocker, activities (including contributing to the planning of a day-long event at the Douglas on September 4 2012) related to the introduction of the RAI-MH evaluation tool at the Douglas.
- 2012 Participation in meetings related to planning number of beds for the proposed new Douglas building
- 2011 - 2014 With Anne Crocker, activities related to planning for an UETMIS at the Douglas

### *F.3.3 Other*

- 2002 - 2005 Co-coordinator (with Alain Lesage), FRSQ Services research theme, Réseau Santé Mentale et Neurosciences (*Mental health and neuroscience research network*)

## **F.4 Evaluations of research centres**

- 2019 Member of evaluation committee, Fonds de la Recherche du Québec – Santé, Centre de recherche sur les services de santé de première ligne – Université Laval.

## **F.5 Committees**

### *F.5.1 Admissions committees*

- 2014 - 2023 M.Sc.PH Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health
- 2000, 2011 M.Sc. Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health
- 2010 & 2012 Ph.D. Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health

### *F.5.2 Promotions committees*

- 2012 - 2021 Psychiatry Department Promotions Committee

### *F.5.3 Thesis examination, comprehensive examinations, thesis and protocol committees, since 2008*

1. External examiner for Alexandra Chapdelaine's PhD thesis, « Évaluation économique de la thérapie cognitive comportementale transdiagnostique de groupe pour les adultes avec un trouble anxieux », Recherche en Sciences de la Santé, Université de Sherbrooke, June 16 2022.
2. Pro-Dean, PhD thesis defense, Marie-Pier Hébert, Department of Biology, May 27 2022.
3. Member of doctoral dissertation committee, Ivan Marbaniang, Department of Epidemiology, Biostatistics and Occupational Health, Title TBD, March 2022 - .
4. Examiner for Michaela Bunakova's Masters thesis, Department of Epidemiology, Biostatistics and Occupational Health, "Illicit drug use and PROGRESS-Plus subpopulations: Determining what works, who is included in systematic intervention evaluations, and what drug use trends are emerging in Canada during the COVID-19 pandemic", October 1 2021.
5. Member of thesis committee (Tim Aubry, Supervisor) and Internal examiner for Maryann Roebuck's PhD thesis, "Examining the Working Alliance as a Mediator of the Relationship Between Fidelity to the Strengths Model of Case Management and Client Outcomes", Department of Psychology, University of Ottawa, January 29<sup>th</sup>, 2021.
6. External examiner for Andrea Duncan's PhD thesis, Institute of Health Policy, Management and Evaluation, University of Toronto, "Community Mental Health Funding and Outcomes", January 28<sup>th</sup> 2021.
7. External examiner for the PhD thesis protocol, and member of the thesis committee, of Raymond Milan, Department of Epidemiology, Biostatistics and Occupational Health (Elham Rahme, primary supervisor), "Treatment patterns, risk of depression and suicidal behavior and associated costs among individuals with psoriasis", April 16 2020 (protocol defense) and subsequently.
8. External examiner for Adam Palayew's Masters thesis, Department of Epidemiology, Biostatistics and Occupational Health, "Estimation of an individual-level deprivation index in a cohort of HIV-HCV co-infected Canadians and its relationship with health outcomes", April 10 2020.
9. Internal examiner for PhD thesis of Hannah Alsdurf, "Using Time and Motion Studies to Determine the Human Resource Needs Associated with Improving the Latent Tuberculosis Infection Cascade of Care", Department of Epidemiology, Biostatistics and Occupational Health, November 8 2019.
10. External examiner for PhD thesis of Bart Gajderowicz, "Artificial intelligence planning techniques for emulating agents with application in Social Services", Graduate Department of Mechanical and Industrial Engineering, University of Toronto, March 1 2019.
11. Internal examiner for PhD thesis of Nichole Austin, "Assessing the impact of supply-side abortion regulations in the United States, Department of Epidemiology, Biostatistics and Occupational Health, December 10 2018.
12. Internal examiner for PhD thesis of Stephanie Law, "Exploring TB patient journeys and the emergence of MDR-TB in India and South Africa: A multi-methods study", Department of Epidemiology, Biostatistics and Occupational Health, November 13 2018.
13. Examiner for PhD protocol of Helen Cerigo, "An exploration of the pathways from early-life adversity to adult depression in Canada," Department of Epidemiology, Biostatistics and Occupational Health, March 23 2018.
14. Member of doctoral dissertation committee, Kira Riehm, Department of Epidemiology, Biostatistics and Occupational Health, "Imbalances in human resources for health: a cross-national, multilevel

- study of adolescent health outcomes and disparities”, Sep 2016 – 2018.
15. Internal reviewer for the PhD thesis of Jenna Wong, “Using information from an indication-based electronic prescribing system to increase pharmacovigilance around antidepressant use for indications besides depression”, Department of Epidemiology, Biostatistics and Occupational Health, December 8, 2017
  16. External reviewer for the PhD thesis of Jonathan Jetté, “Une étude compréhensive des coûts d’une intervention Logement d’abord pour les individus avec consommation problématique et un historique d’itinérance, incluant une analyse des facteurs influençant la fluctuation des coûts », Department of Psychology, University of Ottawa, October 27 2017.
  17. External reviewer for the Masters thesis of Cathy Phan, “Improving the Understanding and Care Management of Mental Health High-Cost Patients”, University of Toronto, June 2017.
  18. External reviewer for the Masters thesis of Elias Chalet, “Examining the role of attachment styles and their relationship to the risk of psychopathology and the use of mental health care services”, Integrated Program in Neuroscience, McGill University, April 2017.
  19. Internal reviewer for the PhD Thesis of Hojoon Sohn, “Improving tuberculosis diagnosis in vulnerable populations: impact and cost-effectiveness of novel, rapid molecular assays”, Department of Epidemiology, Biostatistics, and Occupational Health, McGill University, April 4 2016.
  20. External reviewer for the PhD Thesis of Vanessa Anne Parletta, “Evaluating evidence-based supported employment implemented within an Australian Disability Employment Service for adults with mental illnesses”, University of Newcastle, Australia, June 2015.
  21. Member of doctoral dissertation committee, Ashley Lemieux, Department of Psychiatry, Recovery for people with mental illness and criminal justice system involvement, Sep 2013 -
  22. Member of doctoral dissertation committee, Ayse Kuspinar, School of Physical and Occupational Therapy, *Development of a preference-based measure for Multiple Sclerosis: the Preference-Based Multiple Sclerosis Index (PBMSI)*. Defense (successful) on February 18, 2015.
  23. Examiner, comprehensive exam, Sanyal Chiranjeev, Economic analysis of issues related to prostate cancer management, Department of Experimental Surgery, McGill University, December 19 2014.
  24. Protocol evaluation committee, Miriam Kincaid, “Estimating the effect of early intervention services and model fidelity on inpatient hospitalization and suicide in first-episode psychosis”, Department of Epidemiology, Biostatistics and Occupational Health, McGill University, December 5 2014.
  25. Pro-Dean, PhD thesis defense of Guo Jimin, Department of Internal Medicine, October 9 2014.
  26. Proposal examination committee, Jonathan Jetté, University of Ottawa, May 15 2014.
  27. Internal examiner, M.Sc., Kirsten Humbert, “Ministers as informal mental health care professionals”, Department of Psychiatry, October 2013.
  28. Pro-Dean, PhD thesis defense, Department of Biology, July 2012.
  29. Internal examiner, M.Sc., Dasa Farthing, Validation of the Hayes Ability Screening Index (HASI) for intellectual disabilities among federal inmates in Québec, Department of Psychiatry, McGill University, July 2011.
  30. External examiner, M.S.W., Amélia Fromage, *Évaluation d’un programme Individualisé de Placement de Soutien à l’emploi, (Evaluation of an Individualized Placement and Support Program)*, Département de service social, Université du Québec à Chicoutimi, April 2011.
  31. Internal examiner, M.Sc., Yuen Shan Stephanie Law, “Comparing the cost-effectiveness of different

standardized tuberculosis treatment regimens in settings with varying prevalence of drug-resistant tuberculosis”, Department of Epidemiology, Biostatistics and Occupational Health, McGill University, October 2010.

32. Internal examiner, M.Sc., Brendan Smith, “Life course, Socioeconomic Position and Type II Diabetes: The Experience of the Framingham Offspring Study”, Department of Epidemiology, Biostatistics and Occupational Health, McGill University, September 2009.
33. External examiner, Ph.D., Chris Perlman, Use of the Resident Assessment Instrument - Mental Health to compare quality of care across Psychiatric Facilities, Faculty of Health Studies and Gerontology, University of Waterloo, August 27 2009.
34. External examiner, Ph.D., Sarah Ann Birnie, Department of Psychology, University of Ottawa, “A comprehensive costing analysis of intensive case management for individuals with severe mental illness and a history of homelessness, including cost-effectiveness as compared to standard care,” August 2008 and February 2009.

#### *F.5.4 McGill University committees*

- 2017 - 2018 Social Sciences sub-committee, “Healthy Brains for Healthy Lives” Canada First Research Excellence Fund (CFREF) \$84 million grant
- 2016 Social Sciences and Economic Impact working group, McGill Canada First Research Excellence Fund (CFREF) application

#### *F.5.5 Other committees*

- 2022 – Member, Comité consultatif en économie, Institut national d’excellence en santé et services sociaux (INESSS).
- 2021 – Member, Comité délibératif permanent, Services sociaux et santé mentale, INESSS.
- 2019 Member of review committee, Prix Luminas (prizes for outstanding performance in various categories), CIUSSS de l’Ouest-de-l’île-de-Montréal.
- 2019 - Member, advisory committee, Québec inter-ministerial action plan on homelessness 2020-2025, committee established by the Direction des services en dépendance et en itinérance, Ministry of Health and Social Services.
- 2019 Chair of search committee to recruit faculty member for Douglas Institute Research Centre
- 2018 - Member of the « Groupe de travail sur la surveillance de l’itinérance », Direction générale de la santé publique, Ministère de la Santé et des Services sociaux.
- 2017 - Member of the “Comité consultatif du deuxième portrait de l’itinérance au Québec » committee established by the Direction des services en dépendance et en itinérance, Ministry of Health and Social Services.
- 2017 - 2019 Chair of a committee set up to advise the Direction des dépendances et de l’itinérance, Ministry of Health and Social Services (“Comité du volet dénombrement”), on the development of the first provincial point-in-time count of homeless people in the province
- 2013 - Member, Mouvement pour mettre fin à l’itinérance à Montréal (group of about 25 individuals, including homeless shelter directors, academics, representatives of the Chamber of commerce, the police, the City of Montréal, the South-West Borough, lawyers, etc.). The aim of this group is to lobby for Montréal to imitate other North American

- jurisdictions in formulating a 10-year plan to end homelessness. About 5 hours per month.
- 2008 – 2020 Associate researcher, *Centre national d'excellence en santé mentale*. (Québec agency responsible for increasing quality of delivery on Assertive Community Treatment and Intensive Case Management Services across the province.)
- 2013 - 2014 Invited expert, Permanent scientific committee, Institut National d'Excellence en Santé et Services sociaux (Québec counterpart to England's National Institute for Health and Clinical Excellence).
- 2009 – 2015 Community mental health advisory committee, Canadian Institute for Health Information. By April 2015, four day-long meetings in Ottawa plus occasional conference calls, and comments on draft documents.
- 2013 – 2014 Member, working group tasked to help develop practice guidelines for first episode psychosis clinics in Québec
- 2011 – 2013 Member, Permanent scientific committee, Institut National d'Excellence en Santé et Services sociaux (Québec counterpart to England's National Institute for Health and Clinical Excellence). Approximately 10 hours per month.
- 2010 – 2012 Member, Groupe d'experts provincial sur l'intégration au travail en santé mentale (*Provincial group of experts on vocational integration in mental health*). Approximately 3 hours per month.
- 2009 – 2010 Provisional Council, Institut National d'Excellence en Santé et Services sociaux. Approximately 8 meetings of 4 hours each.
- 2008 M.Sc. Committee, Department of Epidemiology, Biostatistics and Occupational Health. Approximately 10 hours of meetings altogether.
- 2007 - 2010 Institute Advisory Board, (Canadian) Institute for Health Services and Policy Research. Three 2-day meetings per year for three years.
- 2006 - 2007 Inter-faculty search committee for a health economist (Joint position between the Department of Economics and the Department of Epidemiology, Biostatistics and Occupational Health). Approximately 25 hours. (Successful search as Erin Strumpf, then Ph.D. candidate from Harvard, was ultimately hired.)
- 2006 - 2007 FRSQ representative, Comité de pilotage, Défi « Efficacité du système de santé », Conseil de la Science et de la Technologie du Québec. Approximately 25 hours.
- 2005 - 2006 Member, Joint strategic planning committee, Douglas Hospital and Douglas hospital research centre. Approximately 10 meeting hours.
- 2004 - 2007 Member, Table de concertation pour l'allocation inter-régionale des ressources en santé mentale (Provincial roundtable to develop needs-based inter-regional allocation formulas for mental health services). Also member of subcommittee to investigate methods to take research and teaching into account. Approximately 14 meeting hours per year.
- 2002 - 2007 Comité consultatif, Équipe PACT, Hôpital Robert-Giffard, Québec (Advisory committee for ACT team in Québec City psychiatric hospital). Approximately 12 meeting hours per year.
- 2002 - 2007 Management committee and Recruitment committee, Douglas Hospital Research Centre. Approximately 10 meeting hours per year.
- 2006 Mental Health and Addictions Report Editorial Committee, Canadian Institute for Health

Information. Approximately 10 hours.

## **F.6 Professional societies**

- 2011 - Fellow of CIRANO (Center for Interuniversity Research and Analysis of Organizations, a Québec-based group of academic researchers including many economists)
- 2013 - 2015 Member of the executive and of the conference planning committee, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2012 – 2013 Past-chair and member of the conference planning committee, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2009 – 2012 Chair, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2006 - 2010 Treasurer, Canadian Association for Health Services and Policy Research (CAHSPR). Approximately 40 hours per year.
- 2005 - 2006 Member, Web site committee, CAHSPR. Approximately 6 meeting hours per year.
- 2004 - 2010 Member, Board of Directors, Canadian Association for Health Services and Policy Research (CAHSPR). Approximately 10 meeting hours per year.

## **F.7 Other professional and scientific contributions**

### *F.7.1 Organization of conferences and symposia*

1. Co-organizer (with Michèle Chappaz and Jessica Soto), full-day conference on Housing First featuring Sam Tsemberis, Ph.D., Centre Saint-Pierre, Montreal, November 29 2021; followed the next day by a meeting of Montreal leaders in the homelessness sector. [Conférence Sam Tsemberis SRA 29 novembre 2021 - YouTube](#)
2. Organization of presentation featuring Dr Rick Goscha, Senior Vice-President, California Institute for Behavioral Solutions, “L’approche axée sur les forces : principes, pratique et application aux clientèles en situation d’itinérance” (on application of the strengths model of case management to Housing First teams). Centre Saint-Pierre, Montreal, March 20, 2019.
3. Organization of a half-day conference featuring Dr Rick Goscha, Director of the Centre for Mental Health Research and Innovation, Kansas University as well as local speakers and panelists, “Approche axée sur les forces: Intégration dans les équipes SIV et SIM au Québec, défis d’implantation et observations provenant du terrain” (The strengths model of case management: Integration in Intensive Case Management and Assertive Community Treatment team in Québec, implementation challenges and observations from the field”, Douglas Mental Health University Institute, May 1 2017. (This conference was also broadcast live at more than 10 sites across the province of Québec).
4. Member of organizing committee, National forum on employment options for people with mental illness, Mental Health Commission of Canada, Ottawa, November 28 2017.
5. Organization of conference by Ms Deborah Becker, Dartmouth Psychiatric Research Centre, on implementation of the IPS model of supported employment, at the West-Island of Montreal

- Integrated University Health and Social Services Centre (CIUSSS ODIM), June 2 2016.
6. Organization of conference by Dr Robert Drake, Dartmouth Psychiatric Research Centre, on implementation of screening and treatment for concurrent mental illness and substance use disorders at the CIUSSS ODIM, June 2 2016.
  7. Member of the organizing committee, PSR/RPS Canada, Employment Day, June 18 2015.
  8. Support for organization of Canada’s Public Policy Forum invitational meeting, “Schizophrenia in Canada: Towards a more collaborative model of care”, McGill University, April 23 2014.
  9. Chair of the organizing committee, one-day conference on the Montréal Chez Soi project and its results, Montréal, November 29 2013.
  10. Organizer, half-day conference on results of At Home/Chez Soi project, Douglas Mental Health University Institute, July 12 2013.
  11. Member of the organizing committee, 2013 provincial conference on Intensive case management (Soutien d’intensité variable).
  12. Chair of the organizing committee, half-day conference titled “Practices to support recovery”, Douglas Institute, June 7 2012, featuring Professors Bob Drake and Gary Bond in addition to local speakers and panelists.
  13. Co-organizer, with Hélène Racine, Director of Nursing, Douglas Institute, of half-day symposium on Strategies for improving quality in mental health services for people with severe mental illness, featuring as main speaker: Gary Bond, PhD, Chancellor’s Professor, Indiana University Purdue University Indianapolis, Douglas Institute, May 4 2007.
  14. Chair of the organizing committee, “Échange de connaissances entre décideurs et chercheurs en santé mentale au Québec: Vers des mécanismes plus efficaces” (*Knowledge exchange between decision-makers and researchers in mental health in Québec: Towards more effective mechanisms*), Douglas Hospital, Montreal, June 10 2005.
  15. Chair of the organizing and scientific committees, Inaugural conference of the Canadian Association for Health Services and Policy Research, Montreal, May 25-28 2004.
  16. Chair of the organizing committee, 2<sup>nd</sup> conference on Assertive Community Treatment, sponsored by the Québec Hospital Association, Montréal, November 21 2002.
  17. Chair of the organizing committee, conference “Assertive Community Treatment: promise, issues and challenges in the Québec context,” sponsored by the Québec Hospital Association, Montréal, March 26 1999.

*F.7.2 Letters in support of applications for promotion of other faculty*

- 2021 University of Western Ontario (1); University of British Columbia (1)  
2018 University of Toronto (1)  
2017 University of Sherbrooke (1)  
2014 University of Toronto Department of Psychiatry (3), U of T Department of Medicine (1),  
Dartmouth University, Geisel School of Medicine (1)  
2012 University of Toronto Department of Psychiatry (1)  
2006 Dartmouth University, Geisel School of Medicine (1)

*F.7.3 Other knowledge translation activities*

- 2019, 2022 Assisted the *Direction des services multidisciplinaires, qualité, performance et responsabilité populationnelle* of the CIUSSS de l’Ouest-de-l’Île-de-Montréal with the fidelity evaluation of its Individual Placement and Support supported employment program. Approximately 25 hours in 2019, 50 hours in 2022.
- 2016 - With other members of Emmaus Anglican Church in Westmount, and in partnership with the CIUSSS Ouest-de-l’Île de Montréal (CIUSSS ODIM), led the development of a successful application for a \$778,774 grant from Service Canada to develop a Housing First program designed to house and support 16 Inuit homeless individuals, between September 19 2016 and March 31 2019. This program was housed by The Open Door, a non-profit provider in Montreal (see section F.7.6). This was followed by a \$563,721 grant for the period April 1 2019 to March 31 2021, and a \$942,668 grant for the period April 1 2022 to March 31 2024 (I played no direct role in funding the program during 2021 – 2022).
- 2012 – 2013 Development of a 20-minute video on experiences of formerly homeless participants receiving IPS services as part of *Chez soi* sub-study (I sponsored and oversaw the development of the video.) Shown at AQRP presentation October 31 2012. [Le projet IPS Chez soi Montreal - YouTube](#)
- 2007 - 2008 Coordinator (with Jacques Rhéaume of the *Ministère de la Santé et des Services sociaux*), Joint activities of 3 groups involved with organizing training of staff of Assertive Community Treatment and case management programs (including *Groupe de soutien* named above), \$200,000 grant from the MSSS.
- 2004 - 2007 Chair, *Groupe de soutien au développement du suivi intensif en équipe* (Task force to promote the development of ACT in Québec). Approximately 15 meeting hours per year. Also involved in development of web pages on the Douglas hospital web site: [www.douglas.qc.ca/act](http://www.douglas.qc.ca/act)
- 1999 - 2004 Co-chair (with Jacques Gagnon), Québec Hospital Association task force to promote the development of Assertive Community Treatment in Québec. Approximately 15 meeting hours per year.

*F.7.4 Invitations to think tanks, expert panels, etc.*

1. Invited participant, “National Conversation on Housing and Homelessness”, National Advisory Council on Poverty Secretariat, Strategic and Service Policy Branch, Employment and Social Development Canada, February 4, 2021.
2. Invited participant, Graham Boeckh Foundation Strategy Workshop, McGill Faculty Club, May 31 2019.
3. Member of review committee for Québec’s Mental Health Action plan, 2013 - 2014.
4. 2012 – Contributor (for invited expert consultation and for review of draft report) to the Commissaire à la Santé et au Bien-Être 2012 report on mental health services.
5. Editorial panel member, 2006 report on hospital mental health services, Canadian Institute for

Health Information.

6. Invited participant, Think Tank on economic evaluation framework for primary health care, Canadian Alliance of Community Health Centre Associations and University of Toronto, Department of Health Policy Management and Evaluation, University of Toronto, March 21-22, 2006.
7. Expert panel member, Center for Mental Health Services/Substance Abuse and Mental Health Services Administration Decision Support Simulation Cost Efficiency Study, Rockville MD. March 30-31 2006.
8. Invited participant, advisory meeting, Reporting activities related to Hospital mental health database (HMHDB), Canadian Institute for Health Information, Aylmer, Québec, April 7 2006.

*F.7.5 Consultations, past 15 years*

1. Québec Ministry of Health and Social Services, consultation with regards to organization of 2022 Point-in-time homelessness count and subsequent data analysis, November 2021 - , approximately 3 hours per week on average.
2. Québec Ministry of Health and Social Services, review of second portrait of homelessness. Summer 2021. 13.5 hours.
3. Québec Ministry of Health and Social Services, Estimating the number of people who were in emergency homeless shelters in Gatineau, Montréal and Québec City on April 27, 2021. Spring and Summer 2021. 29 hours.
4. Newfoundland and Labrador Centre for Applied Health Research, Rapid review concerning supported employment for people with severe mental illness. Summer of 2020 to Spring of 2021. Approximately 25 hours.
5. BC Housing, Estimation of potential impacts of COVID-19 on hospitalizations and fatalities among people experiencing homelessness in British Columbia (August 2020 – February 2021). Approximately 60 hours.
6. MaRS in Toronto for SIB; consultation in UK as well for IPS Social impact bonds (March to November 2014). Approximately 12 hours.
7. Member of committee (chaired by Pierre Boyle) to prepare the Centre de recherche Fernand-Séguin for their FRSQ evaluation, January 2013. Approximately 15 hours.
8. Consultant to the Direction de la Santé Mentale, preparation of the new Plan d’action en santé mentale and comments on draft Plan, 2012 – 2014. Approximately 40 hours altogether.
9. Consultant to Individual Placement and Support sub-study of “Behavioural medicine and Organisation science Applied research Synergy in Trent region: a NHS and University collaboration for patient benefit”, Collaborations for Leadership in Applied Health Research AND Care, National Health Service, Nottingham, England, 2009 - 2013, £8,706,408. Approximately 15 hours per year.
10. Study on the economics of Individual Placement and Support, Dartmouth Psychiatric Research Center, Lebanon, NH, 2008 – 2010. Approximately 40 hours.

*F.7.6. Membership on outside Boards*

2019 - Member of the Board of Directors, *Les Amis de la Saint-Camille*, non-profit helping to

raise funds and provide other support to L'Association Saint-Camille de Léllis, an African non-profit located in Benin, Ivory Coast, Togo and Burkina Faso, providing mental health care to about 10,000 persons per year, via a dozen residential centres and several dozen outpatient sites.

2018 - Founding Member and Secretary of the Board of Directors, La Porte ouverte Montréal / The Open Door Montreal, community organization to serve homeless and street-involved people in Montreal. President of the Board since May 2022. Interim Co-Director, October 1 2022 – January 15 2023.

## **G. RESEARCH**

### **G.1 Research Activities**

#### *G.1.1 Past*

- Physician payment – especially incorporating practice expenses into a resource-based relative value scale
- U.S. – Canada health service use comparisons
- Economic evaluations of mental health policies and interventions
- Evaluations of Assertive Community Treatment (Evidence-based intervention for people with severe mental illness)
- Patterns of use and costs of antipsychotic medications

#### *G.1.2 Current*

- Evaluations, including economic evaluations, of mental health policies and interventions, especially the strengths model of case management, supported employment and Housing First interventions for people who are mentally ill and/or homeless

### **G.2 Personal support awards**

2001 – 2005            FRSQ Chercheur-boursier Senior, \$188,264

1999 – 2001           FRSQ Chercheur-boursier Junior II, \$106,868

### **G.3 Research grants and contracts**

#### *G.3.1 Current*

1. **Latimer E**, Hughes J, Falvo N, “L'aide financière liée au logement pour les personnes en situation d'itinérance, ou à risque de le devenir au Québec : Forces et faiblesses actuelles et nouvelles approches qui pourraient être considérées », Ministère des Affaires municipales et de l'Habitation, 104 807 \$, September 1 2022 – March 31 2023.
